action. No filing fee shall be assessed or collected against these individuals in connection with this case. Further, no “strikes” are to be assessed against these individuals with regard to the Prison Litigation Reform Act in connection with this case.

As to the other named plaintiffs in this case, all instructions and deadlines for complying with those instructions as set forth in the court’s order of October 29, 2014, remain in full force and effect.

It is so **ORDERED**.
